The DPPstore announces the addition of three more eBooks to their online bookstore

The DPPstore, www.dppstore.com, is pleased to announce the addition of two more authors and three more eBooks to their site this week, available for purchase 24/7/365.

Palm Springs, CA (PRWeb via PR Web Direct) February 2, 2006– DPPpress (www.dpppress.com) and DigitalPulp Publishing (www.digitalpulppublishing.com), a year-old epubublishing company, launched their online bookstore just over a month ago. The DPPstore (www.dppstore.com) features eBooks by new authors and the best eBooks from independent publishers.

The DPPstore (www.dppstore.com) continues to build one book at a time and this week is pleased to announce it is adding three more eBooks to its fledgling bookshelves.

The first two, by Tracy Falbe, are the first two books in a series of three. Union of the Renegades: The Rys Chronicles Book I (ISBN 0-9762235-2-X) and The Goddess Queen: The Rys Chronicles Book II (ISBN 0-9762235-3-8), are both published by Falbe Publishing under the Brave Luck Books™ imprint.

Chrystal Reviews said about Union of the Renegades: The Rys Chronicles I, "This is a great read with plenty of intrigue, magic, terror, wizardry, spells, and subplots to grip the reader and hold him or her to the very last page." The Goddess Queen: The Rys Chronicles II promises more of the same.

The third book the DPPstore (www.dppstore.com) stocked on their shelves this week is Get Dicey: Play Craps and Have Fun, by Tracy Michigan (ISBN 0-9762235-0-3), also published by Falbe Publishing. Michigan, who worked as a dealer in the Las Vegas casinos, explains the game, decodes the jargon, and interjects stories from her casino career, making the game of craps "accessible to anyone who wants to join in the fun and winning the next time the dice get hot."

The DPPstore (www.dppstore.com) offers books that are sure to please an assortment of literary palettes. From first-time authors to well-established experts, the store offers something for everyone: Romance, Sci-fi, Detective and Action Novels, Poetry, Self-Help, Personal Travel Stories, Business, and much more.

The store also draws from a wide pool of independent publishers who have traditionally published titles (and some eBooks of their own) now available through DPPpress (www.dpppress.com) in eBook format.

Book costs range from \$6.95- \$21.95 and the store offers a rewards program. The more books you buy, the more points you earn. Points may be applied to any purchase or accumulated to buy a "free" book. The DPPstore (www.dppstore.com) is open 24/7. Purchasing and downloading books is as safe and easy as ordering from the bigger online bookstores.

The DPPstore (www.dppstore.com), a division of DigitalPulp Publishing (www.digitalpulppublishing.com), offers the best in eBooks from new authors and independent presses. Our eBooks are downloadable on an assortment of readers. The dppstore – reinventing reading.
