The DPPstore welcomes two eBooks from Swimming Kangaroo Press to their online bookstore

A detective and a Sci-Fi novel are featured new eBook arrivals at The DPPstore, www.dppstore.com, and are available for purchase 24/7/365.

Palm Springs, CA (PRWeb via PR Web Direct) March 16, 2006– DPPpress (www.dpppress.com) and DigitalPulp Publishing (www.digitalpulppublishing.com), a year-old ePublishing company, are stocking their online shelves two at a time this week. The DPPstore, launched just over two months ago, features eBooks by new authors and the best eBooks from self and independent publishers.

Swimming Kangaroo Press offers two of their books through the DPPstore. The first is The Dead Detective (ISBN # 1-59971-369-1), by Lorene Robbins. As the title suggests, the book falls under the genre of the detective novel.

The Dead Detective follows C.J. Thomas from her stumble over a dead body, through the frustrations of trying to solve the murder with the help of...the dead body's ghost?!

This keeps-you-at-the-edge-of-your-seat novel, written by a husband-wife writing team (co-authoring under the pseudonym Lorene Robbins) who deem themselves "determined skeptics [who] do not believe in ghosts, goblins, or things that go bump in the night," is definitely worth downloading for a great read.

The second book offered by Swimming Kangaroo at the DPPstore is Merari (ISBN # 1-59971-366-7), by Mari Atherton.

This Sci-Fi novel is set in a brutal police society, which includes the likes of poison, mayhem, miscarriages, and torture. "Read 'Merari' at your own risk," cautions book reviewer Lillian Cauldwell. "I give it a whopping four and a half stars."

The DPPstore offers books that are sure to please an assortment of literary palettes. From first-time authors to well-established experts, the store offers something for everyone: Romance, Sci-fi, Detective and Action Novels, Poetry, Self-Help, Personal Travel Stories, Business, and much more.

The store also draws from a wide pool of independent publishers who have traditionally published titles (and some eBooks of their own) now available through DPPpress in eBook format.

Book costs range from \$2.97- \$29.95 and the store offers a rewards program. The more books you buy, the more points you earn. Points may be applied to any purchase or accumulated to buy a "free" book. The DPPstore is open 24/7. Purchasing and downloading books is as safe and easy as ordering from the bigger online bookstores.

The DPPstore (www.dppstore.com), a division of DigitalPulp Publishing (www.digitalpulppublishing.com), offers the best in eBooks from new authors and independent presses. Our eBooks are downloadable on an assortment of readers. The dppstore – reinventing reading.
