Palm Springs, CA (PRWeb via PR Web Direct) March 21, 2006– DPPpress ([www.dpppress.com](http://www.dpppress.com)) and DigitalPulp Publishing ([www.digitalpulppublishing.com](http://www.digitalpulppublishing.com)), a year-old ePublishing company, are adding new books to their online bookstore daily. The DPPstore, launched just over two months ago, features eBooks by new authors and the best eBooks from self and independent publishers.

This week the store stocked two new titles: Wisdom for the Soul: Five Millennia of Prescriptions for Spiritual Healing and Chaconne.

Larry Chang's Wisdom for the Soul: Five Millennia of Prescriptions (ISBN # 0-9773391-2-0), published by Gnosophia Publishers, offers advice, guidance and direction on every aspect of the human condition, garnered from the written legacy of mankind from the earliest records to the present day.

"[Wisdom for the Soul] contains over 10,000 quotes from over 2,200 authors on 220 subjects," says an awed Genevieve Miller Coté, CEO of DigitalPulp Publishing. "There is something for *everyone* in this book!"

If you're looking for compelling fiction, Chaconne (ISBN # 0-9770484-1-1) by Joseph C. Mastroianni and published by Damian Press, is the book you've been looking for. Chaconne is really two novels in one, a tale of two lives separated by centuries in time. It is a love story: Milo, the protagonist's love for life, and the music of J.S. Bach.
