New romance eBook features a strong woman in the 19th century West

Author Jennifer Mueller's story of a mysterious woman, a cattle ranch, and a gun all team up amidst the background of the Old West in a new romance available for purchase 24/7/365 through the DPPstore, www.dppstore.com.

Palm Springs, CA (PRWeb via PR Web Direct) April 6, 2006– DPPPRESS (www.dpppress.com) and DigitalPulp Publishing (www.digitalpulppublishing.com), a year-old ePublishing company, are continuing to grow their online bookstore.

New authors, independent publishers, and small presses are contracting with DPP daily, helping to create a bookstore that offers an eclectic array of literary offerings.

One of the most current offerings in the DPPstore is *The Wolf Within* (ISBN # 978-1-933746-03-6) by Jennifer Mueller, published under the PulpBytes Imprint.

New to DPP, but no stranger to writing, Jennifer Mueller brings her talent of merging history and romance together to create the kind of novel romance fans hunger for.

When a mysterious woman arrives at a cattle ranch with the owner's niece, the men can't help but ogle at the beautiful woman...until she pulls out a very large gun and proves she can use it. From that moment on, the ogling stops. But readers won't want to.

Mueller's travelogue is extensive. She has worked as a Peace Corps volunteer in Kenya, lived for a time in a Montana ghost town and the Black Hills of South Dakota, explored Europe by way of hostels, and been on Safari in Africa. Her travels can be experienced throughout all her books.

Mueller is also offering her book, *Cooking Through the Ages*, through the DPPstore. The eBook offers readers an eclectic array of recipes, served with "side dishes" – excerpts from Jennifer's books, sprinkled with tidbits of history at a prix fixe price: it's FREE!

The DPPstore offers eBooks from first-time authors to well-established experts. There is definitely something for everyone. Titles that were once only available in traditional print, and eBook titles that once upon a time were not as readily accessible, are now available through DPPPRESS (www.dpppress.com) at the DPPstore.

The store offers some free titles with prices ranging through \$29.95, and a rewards program is available for frequent buyers. Purchasing and downloading books is as safe and easy as ordering from the bigger online bookstores.

The DPPstore (www.dppstore.com), a division of DigitalPulp Publishing (www.digitalpulppublishing.com), offers the best in eBooks from new authors and independent presses. Our eBooks are downloadable on an assortment of readers. The DPPstore – reinventing reading.
